

THE SHERMAN NOTIFICATION

REPUBLICAN NOMINATION FOR VICE PRESIDENCY ACCEPTED.

The Candidate Presented With a Loving Cup by His Colleagues in Congress.

Utica, N. Y.—The last formal ceremony attending the official launching of the Republican national ticket of 1908 was held here Tuesday when Representative James Schoolcraft Sherman was tendered and accepted the nomination of his party for the vice presidency.

In accepting he subscribed heartily, he declared, to the declaration of principles adopted at the Chicago convention in June, to the every utterance of Secretary Taft in his Cincinnati speech, and to the policies of President Roosevelt. Mr. Sherman asserted that the approval of the Roosevelt administration was the real issue of the campaign to be undertaken. Mr. Bryan's question "Shall the people rule?" was declared to be no issue at all. "Surely the people shall rule," Mr. Sherman said; "surely they have ruled; surely they do rule. Shame on the candidate who insults the American people by suggestion or declaration that a majority of its electorate is venal."

Mr. Sherman's speech was unusually brief and he did not attempt to discuss in detail any of the questions touched upon by Secretary Taft, saying he could not hope to persuade any one not convinced by the presidential candidates' presentation of the platforms and the issues.

At the conclusion of the ceremonies Mr. Sherman was presented with a magnificent gold-lined silver loving cup, a gift from his colleagues in the national house of representatives. The cup stands nearly 18 inches high and is mounted on a base of ebony. The inscription reads: "Presented to James S. Sherman, M. C., by his associates, Aug. 18, 1908."

The ceremonies of notification occupied a little less than two hours and were held in the shade of the half century old elm trees which surround the Sherman lawn on Upper Genesee street.

Mr. Sherman, who was ill for a time, appeared Tuesday to be in vigorous health. He will undertake a long campaign trip through the west in October.

THE KANSAS PRIMARY VOTE.

Bristow's Majority Over Long for Senator Was 7,500.

Topeka, Kan.—Bristow was nominated for United States senator over Chester I. Long by a popular majority of about 7,500 votes. W. R. Stubbs was nominated for governor by the Republicans by 16,500. J. D. Botkin was nominated for the same office by the Democrats by 7,800. Fred S. Jackson received the Republican nomination for attorney general over A. F. Williams by a majority of 47,000 and T. A. McNeal was nominated for state printer by the same party by about 14,000.

Complete official returns have been received from 100 to 105 counties of the state, and partly complete returns have been received from one additional county. The following counties have not been heard from at all: Cloud, Jewell, Lyon and Ford. The official count on governor and senator in Sedgwick county is available, but on the other officers it cannot be given.

Just about 60 per cent of the total vote of the state was cast at the primaries. Taking the secretary of state as a basis two years ago as showing the normal Republican vote in Kansas, nearly 80 per cent of the Republican vote was cast in the primary. Using the same basis for the Democrats only 35 per cent of its normal vote was cast. The Republicans lacked only 45,388 of polling the usual vote in Kansas, but the Democrats apparently took no interests in their scrap.

ADMIRAL EVANS RETIRES.

Evans of the United States navy, who is at this quiet mountain hotel, reached the age limit of 62 years Tuesday and passed from the ranks of the country's active sea fighters.

The formal celebration in honor of the admiral took place Tuesday evening in the large parlor of the Mountain hotel. Albert K. Smiley introduced as presiding officer of the ceremonies J. Edward Simmons of New York. When Admiral Evans was brought into the room in a wheel chair the audience applauded him vigorously, keeping it up until the admiral silently raised his hand as a request for silence. Mr. Simmons then delivered an eulogy of the admiral.

After the audience had sung "America," Dr. Andrew S. Draper of New York made the address of presentation of the loving cup, which was a gift to Admiral Evans from the guests of the hotel. The cup is of silver, gold lined, with three handles and beautifully engraved.
